

# Transactional Musings

Volume 1, Issue 10

October 5, 2010

## Special points of Interest:

- A person's internal PARENT is the organ holding ones personal values, ethics, principles and is the basis for forming personal judgments. The Parent defines what's good for the person and what's not. It protects and fosters the integrity of the person and valued others (family);social, environmental, physical, nutritional, and educational.
- A person's ADULT is the organ of reasoning.
- A person's CHILD is the collection of childhood experiences, the basis of one's ongoing emotional life. Your Child is inventive, imaginative.  
(E Berne)

## Transactions

When we see and hear the word "transactions" most people think of give and take, a *quid pro quo*. And it is. It is used in money, business, in banking, in conversations, in how people play with each other, freedom, slavery, life; everything we do.

The dictionary defines "Transaction": 1. a transacting or being transacted. 2. something transacted; specifically, a) a piece of business; deal. b) a record of the proceedings of a society, convention, etc., especially a published one. "Transact" = to drive or thrust through, settle, to carry on, perform, conduct, or complete (business, etc.) To do business or a piece of business, negotiate. "Transactional" = having to do with transacting or a transaction.

slavery, God, etc. Generally the proper term would be "analysis." We analyze data, historical records, numbers, child behavior, nations, neighborhoods, government.

Eric Berne, M.D. wrote his best seller book titled "Transactional Analysis in Psychotherapy, A Systematic Individual and Social Psychotherapy." He wrote it in plain English (since translated into many foreign languages) to be understood by vast numbers of literate people and yet compelling to professional and academics, too. Berne presented his ideas with a chalk board and drew a simple diagram. The three stacked circles show that each person has an Adult, a Child, and a Parent in themselves.

Berne then showed what happens when two sets of stacked circle are placed side by side. People transact with each other : talk, listen, teach, play, discipline, nurture.

These new ideas and way of presenting old ideas scared (the . . . out of the) "da boyz" and "girlz." The "chief" of AGPA wrote threatening/published reports of same; mailed the threats around; gave out instructions to eradicate (from his scared point of view) those who were not, would not abide by his agenda/plan.

These ideas, diagrams, simplicity of language still scares (the . . . out of the) "da boyz and girlz." Eric Berne's plain language and use of diagrams reveals what's happening; reveal what "da boyz" and "girlz" never ever want to give away about themselves ever again.

The inspection or look at transactions has been written on extensively. The archeology of ancient civilizations reveal records of the conduct of societies: in business, marriages, births, property, war, peace, judicial decisions, governments, freedom,

Freedom Diagram

Reference for this diagram is the OK Corral: Grid for What's Happening

There are four kinds of social operations:

- Get-Away-From,
- Get-On-With,
- Get-Nowhere-With,
- Get-Rid-Of.

## Strong Parent instead of Situational Ethics

In the last issue of this newsletter the topic of situational ethics, termites, negites was introduced. Dad wrote about this in his 1988 open letter "Freedom Theory Letter" sent to a large group of people he and I were associated with. In "Our Letter" this topic was also discussed.

Many people go to great lengths to hide, disguise the fact that they do not have a strong Parent in themselves. Situational ethics are group dependent. The organized ones have support groups: that beat down independent thinking and actions, praise up the group instruc-

tions that are carried out. Tweeting, texting, use of mobile telephones today makes it much easier to call up another person, to transact. However, "termites" still have their get togethers.

“Freedom Theory Letter” continued from TM Letter V.1, No.9

**Personal PARENT**

**Adult**

**Child**

**“Personal judgment” is a product of personal Parent AND Adult.**

**A person's internal PARENT is** the organ holding ones **personal values, ethics, principles** and is the basis for forming personal judgments. The Parent defines what's good for the person and what's not. It **protects and fosters the integrity** of the person and valued others (family) - **social, environmental, physical, nutritional, and educational.**

**A person's ADULT is** the organ of **reasoning.**

**A person's CHILD is** the collection of **childhood experiences**, the basis of one's ongoing **emotional life.** Your **Child is inventive, imaginative.** (E Berne)

Each person is genetically endowed at birth with the equipment to become "a freestanding person." Freedom for the individual comes from the maturing ability to become a self-disciplining person, one in charge of AND responsible for his own actions. Freedom is in the ability to be a self-regulating, mutually-respecting unit in a society. Freedom survives when those in the society are both SELF-GOVERNING AND MUTUALLY ACCOMODATING.

In a word, **FREEDOM AND LIBERTY prevail** as a result of certain behavioral qualities reliably continuing in the individual personalities of the free. Liberty prevails when the free don't take liberties with their freedoms.

**Freedom is in the state of mind AND in the set of behaviors of the person.** Behavior is accountable. Thus, it becomes useful to understand the behavior of the individual. From this, we also gain a picture of the **defects in the personalities of the oppressors** around us, in our ranks and in our families.

“Freedom Theory Letter” continued, by FH Ernst Jr., M.D.

**The Bureaucracy goal** in all this is to have dependable, **malleably responsive units.** It needs units who will do what they are told when they are told. Prior to an **Invisible Bureaucracy** gaining **total control** over the populace, it is necessary for the units to be able to live among the members AND IN THE FAMILIES of the Society which the Bureaucracy intends to take over. Therefore, another aspect is to provide incentives to its units to become adept at **concealing their invalidation** of themselves from their friends and family; become skilled at **camou-**

**flaging the Bureaucracy intent (the hidden agenda)** and allegiance.

Any **"objectivity", "for scientific purposes", by the "situational personality" is suspect.** It is **unreliable** because of its accessibility, vulnerability to "peer pressure" (blackmail and threats) from fellow bureaucrats in the syncytium in which he lives (eg, Union Concerned Scientists).

For purposes of the total bureaucracy the **PERSONAL PARENT IS THE ENEMY.** Some negite groups are quite explicit about this anti-Parent program. They train in defined procedures called **"Parent Shrinkers."** These are to "soften up", charm, **disarm, discourage AND disconnect** (from realistic behavior) the personal Parent in the self-governing. Where can you see these "situational personalities" using their "Parent shrinkers?" Go to a **Bay Area City Council meeting.**

The Adult and Child of the negite (termite) unit, although

presenting some definable aspects are little different from those of the self-governing person's. Suffice it to say, a lot of grown-up (Adult) computer time & "circuits" are taken up just keeping their (8 to 10 year old **Childhood based) pretend programs** on-line for looking **"cool"** and running their **plausible justifications and justifiable plausibilities: A Child running a grown-up's life.**

**The Total Bureaucracies do not like** this Parent-Adult-Child diagram or any of the 6 or 7 other tested and standardized **diagramatic ways of presenting the human condition and behavior.** Why not? Because **these improve the chances of the self-governing remaining self-governing.** The **ability to sort** and classify behavior **helps individuals to be better in charge of themselves AND** to keep track of what's coming at them.

Continued on page 4

In the case of the **"Situational Personality"** the **personal PARENT has been replaced** by the **"Situational-Committee" PARENT** and its **"Situational" ethics, values & instructions.** (& "peer review")

In the background, extensive "committee work" has gone into preparation of the unit, (**deactivating personal value** after personal value) and a regular testing program implemented to make sure those personality elements are not coming back to life.

**DIAGNOSTIC** of the situational personality: **No Personal Parent.** Self-rekidding is active. Independent decisions are impossible.

**California and the USA.**

Early in September, 2010 a San Francisco gas utility line blew up in a residential neighborhood of San Bruno, California. Helicopter news crews were all over it within minutes of the explosion. An entire neighborhood is toast, seven people confirmed dead, many others severely burned. Revelations afterward: 36" diameter steel pipe, 386 psi gas pressure, adjacent to water mains and sewer line; all run-

ning through a residential neighborhood. City "upgraded" the sewer line two years before using risky construction methods. Residents were not aware of the high pressure line nor of its size. Ability to shut-off gas flow from a valve 25+ miles away to south and unknown miles to north. Gas burned for about 1.5 hours. No water pressure within a quarter mile. One of those toasted worked high up in gas company organiza-

tion. Neighbors complained to authorities and gas company weeks before the event about smelling gas. Criminal?

California government is facing a "crisis." There is no budget. Contractors and suppliers have not been paid for services rendered during the summer. School food suppliers, assisted living centers, others. Conflicting, inconsistent policy, ignorance of constitutional imperative. Mixed stories of who

is and isn't receiving money. Is the recent "tradition" of operating without a budget in California by design. Constitutionally budgets are to be in place early in the summer. Where are the courts in all this? On vacation? Out to lunch?

USA Congressional leaders recently went home without a passed balanced "budget." There is NO budget. Continuing resolutions. I doubt that elected representatives have been allowed to see budget proposals by leadership. This seems to be by design. Is the "leadership" holding out? Office of Management and Budget sure knows what's going on. Constitutional government? By Who? for Who? The unions of government employees? This systemic crisis reminds me of the Soviet government and the Peoples Republic of China.

Marijuana use and production is on the ballot in California this November. Question: to be a narco-state or not? Medical marijuana use and sales are "allowed" in California for "not-

OK people." You need a card (excuse) from a doctor for this status, otherwise known as a prescription. The new marijuana law would allow unrestricted use and growing of marijuana in California. Oh sure, "they" say that tax receipts would go up to pay for more (controls, regulations, gov't (union) employees).

Is California competing with other narco-states (Columbia, Mexico, Afghanistan) to be number one? If this thing passes will the US gov't be able to better justify its police state apparatus and peer into the lives of Californians more than now under the Patriot Act? Totalitarian Yoyerism? Underworld Games?

Real legislation is absent in Washington, DC. Thousand page bills appear to be the norm. Public and Congressional review is not allowed, minimized. Speaker and president agree its better to "get the darn thing passed now, for the sake of accomplishing something and then find out

what's in it later." "Health Care Bill?" What was that all about?

Discovered was a provision dealing with filing of Federal 1099 Tax Forms for any and all \$ dollar transactions exceeding \$600 in the "Health Care Bill." AND I do mean everything: personal, private, business, banking, construction, agriculture, schooling, cars/trucks, parts, labor, medicine, and on and on; cumulatively in a year, too. This is another "totalitarian" burden on free people who are already shouldering the massive debt burdens of unresponsive, irresponsible government. Employee union medical/pension funds? Social Security? Medicare?

Many of the controlling elitist politicians are from the San Francisco, California area. Do they have intact personality structures; are they totally dependent on their groups? It does not appear that they can think for themselves.

Stay tuned.

## Ephesians

Paul's letter to the Ephesians

Ephesians 3:1-7

... He (Jesus Christ) made known to me (Paul) the mystery (as I have briefly written already, <sup>4</sup>by which, when you read, you may understand my knowledge in the mystery of Christ), <sup>5</sup>which in other ages was not made known to the sons of men, as it has now been revealed by the Spirit to His holy apostles and prophets: <sup>6</sup>that the Gentiles should be fellow heirs, of the same body, and partakers of His promise in Christ through the gospel, <sup>7</sup>of which I became a minister according to the gift of the grace of God given to me by the effective working of His power.

Ephesians 4:11-24

<sup>11</sup>And He Himself gave some to be apostles, some prophets, some evangelists, and some pastors and teachers, <sup>12</sup>for the equipping of the saints for the work of ministry, for the edifying of the body of Christ, <sup>13</sup>till we all come to the unity of the faith and of the knowledge of the Son of God, to a perfect man, to the measure of the stature of the fullness of Christ; <sup>14</sup>that we should no longer be children, tossed to and fro and carried about with every wind of doctrine, by the trickery of men, in the cunning craftiness of deceitful plotting, <sup>15</sup>but, speaking the truth in love, may grow up in all things into Him who is the head—Christ—<sup>16</sup>from whom the whole body, joined and knit together by what every joint supplies, according to the effective working by which every part does its share,

causes growth of the body for the edifying of itself in love. <sup>17</sup>This I say, therefore, and testify in the Lord, that you should no longer walk as the rest of the Gentiles walk, in the futility of their mind, <sup>18</sup>having their understanding darkened, being alienated from the life of God, because of the ignorance that is in them, because of the blindness of their heart; <sup>19</sup>who, being past feeling, have given themselves over to lewdness, to work all uncleanness with greediness. <sup>20</sup>But you have not so learned Christ, <sup>21</sup>if indeed you have heard Him and have been taught by Him, as the truth is in Jesus: <sup>22</sup>that you put off, concerning your former conduct, the old man which grows corrupt according to the deceitful lusts, <sup>23</sup>and be renewed in the spirit of your mind, <sup>24</sup>and that you put on the new man which was created according to God, in true righteousness and holiness.

Paul's letter to the Corinthians.

2 Cor. 9:8

<sup>8</sup>And God is able to make all grace abound toward you, that you, always having all sufficiency in all things, may have an abundance for every good work.

**"stand alone lacking nothing"**

In contrast, Termites, in becoming termites are led to engage in acts of "mutually assured destructive" mutilations of each others' parts. The result is that the individual becomes impotent in terms of being able to "stand alone lacking nothing." (See Paul, II Cor, 9:8.) He has become mentally defective in the ability to make authentic personal judgments and personal compromises. Personal judgments and personal compromises both require an intact personal Parent. For the termite matters of "judgment" require a committee. To make an ethical judgment in the case of another person will instead require a, the "opinion of a bioethicist."

## "Freedom Theory Letter" continued

**COUNCIL ON FOREIGN RELATIONS:** No clinical evidence that members have self-governing personalities. Dole and Bush ("former" CFR) backed by the Council on Foreign Relations. More information on the CFR? Read **Murray Rothbard**. Heard of **Phoebe Courtney's** book "**Why Not Call It Treason?**" Council on Foreign Relations: architect freedom's downfall in the USA if that Bureaucracy's plans come to pass. **CFR: members malleable, obedient, "cool", acting as one gigantic well coordinated (bureaucracy) body.**

**Council On Foreign Relations:** 80% plus **controlling of our TV** programming and content **NOW**. CFR intent on a **One World paper Currency!** **Noticed the absence of GOLD QUOTES** on radio and TV last 3 months (CFR orders?).

**Council Foreign Relations - staffing our US State Dept** and directing its course more than **40 years**. CFR: **Howard Baker, James Baker, George Bush, George Shultz, Stephen Solarz**, the great "situationalist" **Chester Crocker, Elliott Abrams, Lawrence Tisch** (Chm CBS), **Dan Rather, Paul Volcker, Alan Greenspan, Teddy Kennedy** (Boston Affiliate), **John C. Whitehead**.

**Council on Foreign Relations** - about 2,250 members; controlling among themselves a **trillion dollars** in assets and funds including **Chairman of the Board**, big brother David's direction of his family's assets & family dominated and directed trusts, estimated **\$300 billion**. CFR: **Duane Orville Andreas**, favorite of **Gorbachev**, since Armand Hammer has gotten into his 90s. Have you read "**The Rockefeller File**", **Gary Allen?** "**Red Carpet**", **Joseph Finder?**

"Trilateral Commission?" Big Brother David's brainchild. Overlapping membership with CFR.

Heard about nephew **Harvey Rockefeller's caper in Australia**, setting up the still non-legal plastic identification card system and "National Computer Center" out of Canberra for almost total citizen surveillance? Didn't he persuade the Australians to bankroll his operation there for \$2 billion plus? In Perth, a **video camera** downtown, 885 feet up in the air! "For area **surveillance?**" David tried to get a "little" free downtown real estate out of **Diane Feinstein's San Francisco**, until voters of SF turned it back in 1987.

If you are going to take over a gigantic enterprise like the USA, it has to be done smoothly and carefully. Rile and aim "rioting" recruits at the freedom fighters. Avoid criticism of present dictatorships backing your own goals. Blackball and name call whenever people are still free or coming back into freedom. Pinochet and freedom in Chile? Send your **Ambassador Barnes and Roumanian-KGB "lovenest" wife** down there to Chile to agitate against freedom and democracy. **PINOCHET is doing A GOOD JOB FOR the CHILEANS AND against the Soviet supplied Communists there;** this is **CONTRARY TO CFR GOALS AND OBJECTIVES**.

When you plan to take over a gigantic enterprise like the USA, have the personnel of your Invisible Bureaucracy **staff both sides of any social divisions**, be in leadership on **both "sides of the aisle"**, ie keep "**the party of incumbency**" in office.

Current handling of AIDS is a classic example of divide and conquer, of the **FOUR HANDED GAME "Let's-You-And-Him-Fight"** (see "**Games People Play**", by Berne). AIDS as political and civil rights vs

AIDS a public health matter. 4 handed? **Two parties fighting, one on-site, coat-holding promoter and 4th - the out-of-sight "producer."**

If you can't get somebody down and make it look like he did it to himself, then get a horse to roll over him in front of an "audience." Some trick! If he still gets back up on his own, don't let him up, carry him off in a helicopter and out of sight.

**Or stage a "spontaneous riot"** of 250 - 400 at midnight some Saturday to roll over him. Call out the City's entire police force, plus CHP, plus City riot squad. Then using "riot control measures", aim it in the direction of a known freedom fighter:

2/06/88, Vallejo City Park. Riot unreported, "non-news", by **local CFR controlled paper** which did have personnel on the scene. Mayor (our local in-residence "Boy from New York")? No comment when brought up at "Community Forum." **One City Council member** surprised to learn about it.

**Vallejo City Council 6:1.**

CFR's **Baldrige** made sure Toshiba got the deep submarine silencing technology to sell to the Russians, but then must have balked at some further orders so he got his now famous last ride on that horse in Contra Costa County. The former chairman of the CFR's super-secret "**US-USSR Trade & Economic Council**", **C. William Verity**, a man more skilled at technology transfer and perhaps better motivated than Baldrige, is now in the saddle at **Dept of Commerce**. With CFR's omni-present John C. Whitehead, now Deputy Director of the State Department, "helping" in Congress and NATO hearings, Verity's technology transfers to the Soviets are going better & better, Insight 2/15/88. You really think Pentagon's **Carpet** will object?

To be continued
